# All the Way

## Bobby Alu

Oh, weâ€™re gonna take it all the way
â€˜Cause it on the table all the way
No use pretendinâ€™ all the way
So give it your best then all the way

I will try
to keep a straight face
While I find
a peaceful place

Like when youâ€™re walkinâ€™ me into the unknown
Pushinâ€™ pushin like you always either way
You be complainingâ€™ and feelinâ€™ all the pain
But you got, you got the years go in a day

Oh, weâ€™re gonna take it all the way
â€˜Cause itâ€™s on the table all the way
No use pretendinâ€™ all the way
So it give it your best then all the way-ay

Oh, tell me why we lives these lives
Tell me please why, oh why
Tell me where, oh where is thy smile
Tell me do you live your life

Tell me where, oh where is thy smile
Tell me please why, oh why
Tell me why we live these lives
Oh tell me

Tell me please (Wonâ€™t you tell me please)
Tell me why
You can tell me twice (You can tell me twice)
Oh tell me do you live your life

Oh weâ€™re gonna take it all the way
â€˜Cause itâ€™s on the table all the way
No use pretendinâ€™ all the way
So give it your best then all the way

Oh weâ€™re gonna take it all the way
â€˜Cause itâ€™s on the table all the way
No use pretendinâ€™ all the way
So give it your best then all the way
