

Trust You

Brandon Heath

I can't walk without watching where I'm going
I can't speak without knowing what to say
I can't love and have any hesitation
'Cause I know that you don't work that way

I can't reach without something to offer
I can't come now I am so ashamed
I can't hold out from you any longer
'Cause I know that you don't work that way

I'm not gonna fight you anymore
Not gonna try to lock the door
You took your life and gave me yours
There's no reason why
I shouldn't trust you with mine

It's never easy changing my direction
It's so unnatural to loosen up my grip
Are you growing weary of all my good intentions
'Cause I know that You don't work that way

Some days
This wait upon my shoulder
Is my shame
I know I should know better
'Cause you say
That I must now surrender
There's no other way
