

Show Me Love

Tatu

Hello?
Hello.
See the wind?
So what?
Look out the window
So what?
Yesterday had sun
So what?
Why do you keep saying the same thing?
I'm an answering machine. This was an accident
Not the kind where sirens sound
Never even noticed
We're suddenly crumbling Tell me how you've never felt
Delicate or innocent
Do you still have doubts that
Us having faith makes any sense? Tell me nothing ever counts
Lashing out or breaking down
Still somebody loses 'cause
There's no way to turn around Staring at your photograph
Everything now in the past
Never felt so lonely
I wish that you could show me love Show me love, show me love, show me love
Show me love, show me love
'Til you open the door Show me love, show me love, show me love
Show me love, show me love
'Til I'm up off the floor Show me love, show me love, show me love
Show me love, show me love
'Til it's inside my pores Show me love, show me love, show me love
Show me love, show me love
'Til I'm screaming for more Random acts of mindlessness
Commonplace occurrences
Chances and surprises
Another state of consciousness Tell me nothing ever counts
Lashing out or breaking down
Still somebody loses 'cause
There's no way to turn around Tell me how you've never felt
Delicate or innocent
Do you still have doubts that
Us having faith makes any sense? You play games, I play tricks

Girls and girls but you're the one
Like a game of pick-up-sticks
Played by fuckin' lunatics Show me love, show me love, show me love
Show me love, show me love
'Til you open the door Show me love, show me love, show me love
Show me love, show me love
'Til I'm up off the floor Show me love, show me love, show me love
Show me love, show me love
'Til it's inside my pores Show me love, show me love, show me love
Show me love, show me love
'Til I'm screaming for more Show me love, show me love
Give me all that I want
Show me love, show me love
Give me all that I want Show me love, show me love
Give me all that I want
Show me love, show me love
'Til I'm screaming for more Mama, papa forgive me
