Janet

The Commodores

Tearing me apart
Somehow I just don't care
Shes playing with my heart
But Janets so awareAnd people tell me, she keeps telling you lies
I guess they wonder how I stand it, oh
But when I look in her eyes
I know its love the way I planned it, I believe in JanetJanet, they dont understand it
The whole world must be wrong
I gave my heart to Janet
And she wont lead me on, Janet, oh, JanetThere could never be
Another girl like Janet
Its only her and me
Together on this planetAnd people tell me, she keeps telling you lies
I guess they wonder how I stand it, oh, yeah
But when I look in her eyes
I know its love the way I planned it, I believe in JanetJanet, they dont understand it
The whole world must be wrong
I gave my heart to Janet
And she wont lead me on, Janet, oh, JanetWhy cant they see
Without her thered be no reason to go on and on
As long as she stays with me
Ill keep holding on, I believe in JanetJanet, they dont understand it
The whole world must be wrong
I gave my heart to Janet
And she wont lead me onJanet, Ja-Janet, they dont understand it
The whole world must be wrong
I gave my heart to Janet
And she wont lead me onJanet, they dont understand it
The whole world must be wrong
I gave my heart to Janet
And she wont lead me onJanet, they dont understand it
The whole world must be wrong
