

# Dearly Departed

## Shakey Graves

Ooh

Ooh

Ooh

OohWell

You and I both know that the house is haunted

And you and I both know that the ghost is me

You used to catch me in your bed-sheets just a-rattling your chains

Well back then baby, it didn't seem so strangeYou used to bite, I used to moan

But now I'm mumbling and you choke

Well I ain't so scary on my own

Tell me honey, what's a dagger without a cloak?

Well I don't know'Cause

You and I both know that the house is haunted

Yeah you and I both know that the ghost is me

You used to catch me in your bed-sheets just a-rattling your chains

Well back then baby, it didn't seem so strangeIn the midnight hour, you came alive

I was looking for my crystal ball

I busy trying to charm that snake

When the sun came up we had no place to hide

And you had to tell your friends that my things where fake

I just had toYou and I both know that the house is haunted

Yeah you and I both know that the ghost is me

You used to catch me in your bed-sheets just a-rattling your chains

Well back then baby, it didn't seem so strangeBut even when one is dead and gone

It still take two to make a house a home

Well I'm as lonesome as the catacombs

I hear you call my name but no one's there

Except a new one in the airYou and I both know that the house is haunted

Yeah you and I both know that the ghost is me

You used to walk around screaming, all slamming all 'dem doors

Well I'm all grown up now and I don't scare easy no moreBut you and I both know

Ooh

Yeah you and I both know

Ooh

Yeah you and I both know

Ooh

Ooh
