

Stop It Girl

New Kids On the Block

Stop it! Stop it, girl!
Stop it! Stop it, girl! I said, "Stop it, girl, look what you're doing to me"
I said, "It's just not right now, can't you see?"
This ain't the way it's supposed to be
I should be lovin' you and you lovin' me" Stop girl, before he breaks your heart
Stop girl, before he breaks your heart
I'm the one who loves you, right from the start
Stop girl, don't let him bring you down
I'm the one who needs you and I'll be around He could never love you like I love you, girl
He could never say the things like, "I need you in my world"
Girl, I really love you, but you won't give me your time
You tell me that he loves you so and you can't make up your mind Girl, he's not true
Now I know there's lovin' for you
It's all not true
It's not true, baby
Ooh Stop girl, before he breaks your heart
I'm the one that loves you, right from the start
Stop girl, don't let him bring you down
I'm the one that needs you and I'll be around I guess, I'm gonna love you for my whole life long
Girl, he's not the one for you, I can tell you nothing wrong
Just tell me that you love me, let me take you by the hand
Girl, my love is oh so true, try and understand Girl, it's so true
All of my lovin' for you
It's all so true
It's true, baby
Ooh Stop girl, before he breaks your heart
I'm the one that loves you, right from the start
Stop girl, don't let him bring you down
I'm the one that needs you and I'll be around Stop it, girl
Stop it, girl (Stop girl, before he breaks your heart)
Don't let him break your heart
I'm the one that loves you, right from the start
Right from the start
(Stop girl, don't let him bring you down)
Don't let him bring you down
I'm the one that needs you and I'll be around
I'll be around (Stop it girl, before he breaks your heart)
Oh baby
I'm the one that loves you, right from the start

(Stop girl, don't let him bring you down)
Don't let him, don't let him, don't let him bring you down(Stop girl, before he breaks your heart)
Don't let him break your heart
I'm the one that loves you, right from the start
(Stop girl, don't let him bring you down)
