

Farewell Ride

Beck

Two white horses in a line
Two white horses in a line
Two white horses in a line
Carrying me to my burying ground
Some need diamonds, some need love
Some need cards, some need luck
Some need dollar bills lining their clothes
All I need is, all I need is
Two white horses in a line
Two white horses in a line
Two white horses in a line
Taking me for my farewell ride
Some may say this might be your last farewell ride
Some may say this might be your last farewell ride
I don't see the face of kindness
And I don't hear the mission bells
I don't smell the morning roses
All I see is, all I see is
Two white horses in a line
Two white horses in a line
Two white horses in a line
Carrying me to my burying ground
Some may say this might be your last farewell ride
Some may say this might be your last farewell ride
