

# Palisades Park

## Freddy Cannon

Last night I took a walk after dark  
A swingin' place called Palisades Park  
To have some fun, to see what I could see  
That's where the girls are

I took a ride on a Shoopty Shoop  
The girl I sat beside was awful cute  
And when we stopped  
She was holding hands with me

My heart was flying up like a rocket ship  
Down like a roller coaster  
Fast like a Loopty Loop  
And around like a merry-go-round

We ate and ate at a hot dog stand  
We danced around to a rockin' band  
And when we could, I gave that girl a hug  
In the tunnel of love

You'll never know how great a kiss can feel  
When you stop at the top of a Ferris Wheel  
When I fell in love, down at Palisades Park

We ate and ate at a hot dog stand  
We danced around to a rockin' band  
And when we could, I gave that girl a hug  
In the tunnel of love

You'll never know how great a kiss can feel  
When you stop at the top of a Ferris wheel  
When I fell in love, down at Palisades Park
