# The Grey Menace

## Snog

Flying saucers disguised as mushrooms
Mushrooms invades from outer spaceMushroom
Mushrooms invading the human bodyThere's an old story that says you can't kill a frog
By dropping him in boiling water
He reacts so quickly to the sudden heat
That he jumps out before he's hurtBut if you put him in cold water
And then warm it up gradually
He never decides to jump until it's too late
By then he's cooked
