# Full Steam Spacemachine

## Royal Republic

Dress up for love, I'm coming from above
I keep my motor clean
Look out, below
All systems go
Full steam spacemachine
Dress up for love now, dress up for loveI keep my motor clean
Full steam spacemachine!
When you're behind the wheel
Full steam spacemachine!I love to lie
With Lucy in the sky
No one could ever know
In time and space
We'll find a secret place
Where no one else can go
Dress up for love now, dress up for funI keep my motor clean
Full steam spacemachine!
When you're behind the wheel
Full steam spacemachine!Ooh, close contact
And this is how we interact
I know that opposites attract
Time to feel your energy
Jamming my telemetryHard to starboard, stay the course
Hyperdrive me, use the force
Hard to starboard, stay the course
Hyperdrive me, no remorseYeah, yeah, yeah, yeah, yeah
Yeah, full steam spacemachine!
I don't believe (Full steam spacemachine!)
I keep my motor clean (Full steam spacemachine!)
When you're behind the wheel (Full steam spacemachine!)
You scream, I scream (Full steam spacemachine!)
I reign supreme (Full steam spacemachine!)
Two ships, tractor beam (Full steam turbo team!)
They will never catch us (Full steam spacemachine!)
Let's go back to UranusFull steam spacemachine!
