

# I Believe

## Third Day

Give me something that I can believe and then I'll  
Share it with the world for everyone to see  
Take away the darkness, all the pain and sadness  
I know it's you that put this light inside of me I believe in a faith that's strong  
I believe in a hope that carries on  
I believe in these things and more  
Most of all, most of all  
I believe in love And if I had the strength to move a mountain  
Would you be amazed by all of my abilities  
I guess it would not mean much if I didn't have love  
And this is what I really want you all to see I believe in a faith that's strong  
I believe in a hope that carries on  
I believe in these things and more  
Most of all, most of all  
I believe in love, I believe in love  
I believe in love, I believe in love I believe in a faith that's strong  
I believe in a hope that carries on  
I believe in these things and more  
I believe in a faith that's strong  
I believe in a hope that carries on  
I believe in these things and more  
Most of all, most of all  
I believe in love, I believe in love  
I believe in love, I believe in love
