Total Surrender

Stan Bush

Do You Remember When We Were Young
That Summer Night Had Just Begun
At Seventeen We Were Caugh In A Fire
Right Between Youth And Desire
I Saw The Wildness In Your EyesNo Holding Back, No Compromise
There In The Back Seat Of My Car
With Only The Sound Of Our Beatin' Hearts
We Lost Control, Yeah We Went Too FarWe Felt The Thunder, We Both knew A Storm Was Gonna Start
Total Surrender Of The HeartTotal Surrender
There Was No Turnin' Back That Night
There Was No Wrong Or Right
Total Surrender In The DarkWe Lost Our Innocence That Night
But We Held On Until The Light
Venturing Out In The Seas Unknown
We Gave In To Our Own Free Will
Couldn't Stop We Were On Our OwnAnd Just For A Moment Time Stood Still
Now I Dream About Your Touch
We Found New Worlds, YeaH We Found So MuchWhat I Wouldn't Give To Hold You In My Arms Again
All Of My Life, Girl You're The Best There's Ever Been
OohTotal Surrender In The Dark
There Was No Turnin' Back That Night
Total Surrender Of The Heart
There Was No Wrong Or RightTotal Surrender In The Dark
Total Surrender
Total Surrender In The Dark
There Was No Turnin' Back That Night
There Was No Turnin' Back That NightNo Wrong Or Right
Total Surrender Of The HeartTotal Surrender In The Dark
No Turnin' Back That Night
Total Surrender Of The Heart
There Was No Wrong Or Right
Total SurrenderTotal SurrenderTotal Surrender
