Hearsay

Alexander O'Neal

Come here girlfriend
Spreadin' on my name all over townHearsay, it's nothin' but hearsay
Because a lie's not the truth
Until you can prove itWe're together from [Incomprehensible]
Baby, somebody's steering you wrong
They want to break up our happy home, homeIt's nothin' but hearsay
That's causing you heartache
Because a lie's not the truth
Unless you're believin'So they bring up all the things I've done
When they need someone to pin it on
They point a finger in my directionThis time it's nothing but hearsay you want
It's nothin' but hearsay
Because a lie's not the truth
Unless you can prove itIt's nothin' but hearsay
It's never that easy
Because a lie's not the truth
Unless you're believin'Oh, do you prove it baby?
It's hearsay
I don't want to talk about no hearsay
Oh, don't bring me no hearsayThe love that we've found
Oh, I'm gonna be around
I want you, you want me
And together we will be love of hearsayOh, little woman yeah, hearsay
Ooh, then I get you down, hearsay
Oh, we're mad in love
(Love's gonna last)
Ooh, I am in your classGirl, I gotta have your love
I wanna be in your arms
Hearsay baby, hearsay
Hearsay baby
