## **Fuck Me**

## **PIG**

Fuck Me I'm SickYou are my ever living lie
My weakness wrapped upon the wheel
You the sore upon the side
The hand you hold will never healI am the cripple and the crime

I am the filth and first denied

I am the filth and first denied

This thief that shits upon your shrine

The shame that you can never hideTouch me

Touch meThere's nothing in your eyes but need

Come taste this tiny tender prey

Come push me to the tiny net

You'll never give, I'll never getI'll never getYou'll never give

I'll never getI burn my dirty little lights

That fill my dirty little nights

Concede and crawl and criticize

And I'll fill my dirty little highsTouch me

Touch meFuck me

Fuck meThis pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on meThis pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on meThis pig will walk on the water
This pig will walk on the sea
This pig will walk whereever he wants
Walk on meThis pig will walk on the water
This pig will walk on the sea

Fuck me
