Albert

Blood Duster

Albert was a man
Took kids by the hand
He had too much fun
He touched their little bumsHe lit fires up his ass
Made him cum real fastHe tried to eat his shit
That came from his pit
He did chow it down
He never wore a frownSpank
Wank
YeahCum splattered corpse
Use a knife and fork
Stinky mouldy flesh
Is what I like bestSpank
Wank
YeahSlicing penile meat
Rotting flesh I eat
Pumping body chunks
Semen, gore and spunkAAAAAUUUUUGGGGGHHHHH!!!
