# It's Over Now

## Deitrick Haddon

It's over now
It's over now
So it's over now
It's over nowI cannot explain the way I feel
I must be dreamin', this can't be real
And now I know that there's a balm somewhere
'Cause when I called you answered my prayerSunshine after the rain
You have takin' away my pain
Someway and some how
It's over now, the storm is over nowIt's over now
No more tossing and turning in the middle of the night ya'll
It's over now
No more fillin' that something ain't right ya'llSo it's over now
And I don't have to walk wit my head hanging down, no
It's over now
'Cause my feet is on solid ground, ohYou took my fear and gave me faith
And took away my shame and gave me grace
Then you lifted my burden off my shoulder
And you didn't walk away when you came closerSunshine after the rain
You have takin' away my pain
Someway and somehow
It's over now, the storm is over nowIt's over now
No more smiling and cryin' inside ya'll
It's over now
And I don't have to worry 'cause God's on my sideSo it's over now
And now I can love again, I can breathe again
It's over now
Whoa, it's over, it's overOoh, it's all I can say, it's all
Feels good to know
That the storm is over
Sunshine after the rain
You have takin' away my pain
