You'll Never Get Over Me

A-ha

You say you want some fun
You're not the only one
Not the only oneAnd you say you wanna run
You're not the only one
Not the only oneYou will never get over me
I'll never get under you
Whenever our voices speak
It's never our minds that meetYou will never get over me
I'll never get under you
Whenever our voices speak
It's never our minds that meetYou say you want some
You're not the only one
Not the only oneAnd you, you say you've come undone
You're not the only one
Not the only oneYou will never get over me
I'll never get under you
Whenever our voices speak
It's never our minds that meetYou will never get over me
I'll never get under you
Whenever our voices speak
It's never our minds that meetYou'll never get over me
You'll never get over me
You'll never get over meYou will never get over me
I'll never get under you
Whenever our voices speak
It's never our minds that meetYou will never get over me
I'll never get under you
Whenever our voices speak
It's never our minds that meetI will get over you
I will get over you
I will get over you
