

Witness

Cyndi Lauper

You're sorry now
And you'll change some how
And I am what you need to get out,
I don't want to be
I don't want to be
I don't want to be a witness
No I don't want to be
I don't want to be
I don't want to be witness 'Cause I'm crawling back
I'm searchin' the right track
I'm standin' at last I'm sure
I don't want to be
I don't want to be
I don't want to be a witness
No I don't want to be
I don't want to be
I don't want to be witness Jailbird chained to walk
You used to talk, talk, talk
But the melody none at all my love
And I don't want to be
I don't want to be
I don't want to be a witness
No I don't want to be
I don't want to be
I don't want to be a witness
Oh, oh, oh, oh, oh, oh, oh
Witness
Witness Please let me out this time
'Cause I don't want to be
I don't want to be
I don't want to be a witness
No I don't want to be
I don't want to be
I don't want to be a witness
No I don't want to be
I don't want to be
I don't want to be a witness
I don't want to be
No I don't want to be

I don't want to be a witness
I don't want to be
No I don't want to be
I don't want to be a witness
I don't want to be
I don't want to be
I don't want to be a witness
Oh oh oh oh oh oh oh
