

# Dancing Girls

**Nik Kershaw**

I don't need a doctor  
I don't need a priest  
I don't need no superstitious cures  
For my release  
I'm flesh an' blood  
Skin an' bone  
A little petticoat company  
Can't get me stoned So just gimme the night  
Skin it back to the bone  
Turn on the spotlight C'mon  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
You can dance  
Dance  
Dance for me  
Dance for your daddy all night I got a one track notion  
On a feminine squeeze  
A sackfull of love  
A mindful of fantasies  
A midnight rider  
On a stallion steam  
I got an old man's weakness  
Hangin' on a young man's dream So just gimme the night  
Skin it back to the bone  
Turn on the spotlight C'mon  
C'mon  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
You can dance  
Dance  
Dance for me  
Dance for your daddy all night So just gimme the night  
Skin it back to the bone  
Turn on the spotlight C'mon  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls

Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls  
Bring on the dancing girls
