Hate 2 Luv U

Allure

oh oh
we got another one
presidential campaign
strick fault ya heard me
[verse one]it was the wrong day
the wrong month
the wrong year
i wasn't ready for all the pain
for all the tears
baby you crushed me now i have to deal with my worst fear
you had to go and take it there
[chours]now i'm all alone
knew i should've took my a** home
nights when you was puttin' it on me(you was puttin' it on me)
and i just hate you for it
hate you for makin' me fall in love and there's nothing i can do about it
so blue about it
don't wanna be in love
and i just hate you for it
hate you for makin' me fall in love and there's nothing i can do about it
so blue about it
don't wanna be in love
[verse two]
thought i could change you and turn you into a good man
thought my love was bonk
things would go as i planned
what a fool i was
you was still hittin' yo ex-girlfriend
i had to be out you understand
[chours]now i'm all alone
knew i should've took my a** home
nights when you was puttin' it on me(you was puttin' it on me)
and i just hate you for it
hate you for makin' me fall in love and there's nothing i can do about it
so blue about it
don't wanna be in love

and i just hate you for it
hate you for makin' me fall in love and there's nothing i can do about it

so blue about it
don't wanna be in love
[verse three]wish that thing were differnt
that you really loved me
the way that i loved you
can't belive you hurt me
that you would do me this way
i hate you luvin'
kill it boy
[chours]now i'm all alone
knew i should've took my a** home
nights when you was puttin' it on me(you was puttin' it on me)
and i just hate you for it
hate you for makin' me fall in love and there's nothing i can do about it
so blue about it
don't wanna be in love
and i just hate you for it
hate you for makin' me fall in love and there's nothing i can do about it
so blue about it
don't wanna be in love
and i just hate you for it
fall in love
do about so blue about it
so blue about it
