Calculator and a lighter, calculator and a lighter

Big bank take little bank sippin on that dig drink
Design that mix match, that.44 they get back

Double Drum that big mac, their big pocket I spend on houses
Diamond watches rich spouses

Countin faces while your lady make that ass clap

Runnin through a check and I'm diggin in a pound

Calculator and a lighter, calculator and a lighter

I'm in the big digits with a whole lot of hoes

Tonight is stoners night with a whole lot of hoes
Got more Louie than my bitch, that's what I bought it fo'
I had to sit her down and tell her when she shine I glow
That's the life you gotta live when you a trippy nigga
Big faces crazy, D.A takin pictures
Big blunt smoking rolling numba piff
I love my self so much every day I buy a gift
Roll another blunt
I'm at Sax 5th with a bean poppin bitch that love to suck dick
She don't leave the house all she do is suck dick
All a nigga need is money fuck a bitch, fuck a bitch
All a nigga need is money fuck a bitch, fuck a bitch
All a nigga need is money fuck a bitch, fuck a bitch
All a nigga need is money fuck a bitch, fuck a bitch
