Just One Of Those Things

Patricia Barber

It was just one of those things
One of those crazy fling
One of those bells that now and then rings
It was just one of those thingsIt was just one of those nights
One of those fabulous flights
A trip to the moon on gossamer wings
One of those thingsIf we had thought a bit
Of the end of it when we started painting the town
We had been aware that our love affair
Was too hot not too cool downSo goodbye, dear and amen
Here's hoping we'll meet now and then
It was great fun but it was just one of those thingsIf we had thought a bit
Of the end of it when we started painting the town
We'd been aware that our love affair
Was too hot not too cool downSo goodbye, dear and amen
Here's hoping we'll meet now and then
It was great fun but it was just one of those things
It was just one of those things
