

# Nature Boy

## Primus

I pull the blinds then I take my clothes off  
Dance around the house like nature boy  
My genitalia and pectoral muscles aren't  
quite what I would like them to be  
But you don't see me  
No one can see me I pull my blinds  
Fill out my income tax form  
Pen in hand I write so legibly  
I have my kitty. His name is Allowishus, I stroke him  
But you don't see me  
No one should see me I pull the blinds  
For the sun glares off my tele and I find it quite so irritating  
I have my videos-loads of Ren and Stimpy  
Bottom-a bit of pornography  
But you don't see me  
No one should see me I've been persecuted since I sailed in through the door!  
And I've been known to sing a song in 3 and 4 and 5!  
And I've been gettin my ass chewed out since the day I arrived here!
