

Bring Your Whole Crew

DMX

Aye c'mon

But they don't hear me no

Uh, but they don't hear me no

Uh, but they don't, they don't

They don't, they don't I got blood on my hands and there's no remorse

And got blood on my dick 'cause I fucked a corpse

I'm a nasty nigga when you pass me nigga look me in my eyes

Tell me to my fuckin' face that you ready to die

You be a dead motherfucker, red motherfucker

Don't be stupid, you heard what I said motherfucker

Who shot you? Aw nigga, like you don't know

Stickin' you for yo' dough while I'm fuckin' yo' broke hoYo! don't you get the picture? Niggaz can't touch me

'Cause I don't give a fuck G, I'll get you touched B

I got choice, to rip my slug or take apart a door

And enough crazy niggaz behind me to start a war

So what you want nigga? help, 'cause you se about to rest

When I'm fed, Red Cross couldn't clean up the mess

And a vest will do nuthin' but make you look a little thicker

'Cause in the dark you ain't nuthin' but a lil' niggaAnd if you'd been thinkin' about that shit you did

You wouldn'ta brought the joint, with you kid

Now I'ma have to get you kid, and split your wig, with the machete

I bring beef to niggaz, and string 'em out, like spaghetti

You ain't ready nor can you stand how I'm bringin' it

I'm givin' it is how I'm livin' it so I'm swingin' it

Red dot on your head, 'cause youse in mid range

Red dot on your chest, opens up your rib cageI just love when a nigga bring his whole crew

It's just a bigger piece of cake for me to chew a hole through

I just love when a nigga bring his whole crew

It's just a bigger piece of cake for me to chew a hole through

I just love when a nigga bring his whole crew

It's just a bigger piece of cake for me to chew a hole through

I just love when a nigga bring his whole crew

It's just a bigger piece of cake for me to chew a hole throughNow if your heart was as big as your mouth, you'd

be real

But it's not so I know if you get knocked, you'll squeal

Like a bitch, 'cause you is a bitch and always been a bitch

And you know how niggaz do a bitch we run up in a bitch

Put something in a bitch

Nigga, do you know me? Nigga do you owe me?

Figured you could blow me?
Well I'm a let this trigger fill you homey
Y'all niggaz gots to be smokin' somethin'
Thinkin' you chokin' somethin' Fuckin' around with me, you'll be a broken somethin'
I'm out for 'blood' with the 'crips' at war
How much shit could you talk with your lips on the floor?
Pussy niggaz make me itch, so I scratch, you is a bitch
So I snatch up your face, fake ass pencil I scratch you
Yeah there was a time
When I woulda jumped up and choked this nigga
But now I'm on some shit like, yo smoke this nigga I'm 'bout to find out how much guts you got before I spill
'em
Somebody come and get this motherfucker before I kill him
Fresh out the asylum, I'm whylin'
Y'all niggaz know the phone numbers for help you best to dial 'em
911, emergency, the urgency
Will have witnesses seein' what the surgeon see
How far you gon' get, with your dome split fool
I catch your man slippin', 'cause he think his shit cool
But it ain't, so I paint the walls with his blood
Another dick in the mud, nigga what I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through Hey yo, you know who this is for?
They let the dogs in the door
Hey yo, you know who this is for?
They let the dogs in the door I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love when a nigga bring his whole crew
It's just a bigger piece of cake for me to chew a hole through
I just love
