Stranger (feat. Elliphant)

Peking Duk

[Verse 1]
Keep me calling my brain
We gon' be okay
It's summertime no sober time again
Burning out on the train
And get off in the rain
When the sun shine we rise again[Pre-Chorus]
Walking home on a silent street
I just met you and you good company
So comfort me
In the silent street in the distance
Like a lullaby song singing us to sleep
For us to keep
[Chorus]
Oh when will I see you now
Stranger could you walk me home
Even if we drift somehow
No I, I'm never gonna sleep aloneNever gonna sleep alone[Verse 2]
Calling out to the wolves
Can you pull us through
To the otherside of another world with you
Where the night is key and the rebels sing
Our battle cry we never die we will[Pre-Chorus]
Walking home on a silent street
I just met you and you good company
So comfort me
In the silent street in the distance
Like a lullaby song singing us to sleep
For us to keep[Chorus]
Oh when will I see you now
Stranger could you walk me home
Even if we drift somehow
No I, I'm never gonna sleep alone
Never gonna sleep alone
Never gonna sleep alone
I'm never gonna sleep alone[Outro]
When will I see you now
Stranger could you walk me home
