

Whatever I Say

Plies

Oh, bruh, I got some muthafuckin' goons
And the will do whatever the fuck I say do, bruh
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
My goons will bring me Bin Laden
My goons for the low they ain't even taxin'
My goons like to rob they don't like trappin'
My goons slang iron they don't like rappin'
My goons on deck ready to make it happen
Catch us in the club everybody packin'
When they pop pills they get trigger happy
My goons gone wack something they ain't askin'
My goons on beat, ain't nobody laughing
My goons favorite words, "Let me gone jack em"
Y'all let me know how y'all wanna play it
And I'll send these muthafuckers today
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
These niggas scare me sometimes
These niggas don't won't to do nuthin' but slang iron
These niggas won't choppas they don't won't 9's
These niggas wanna murks something all the times
These niggas on some other shit, I ain't lyin'
All I got to do is say it and they gone lay 'em down
All black when you see them that's these niggas style
When these choppa's go off nigga man down
My goons be wildin' they dont fuck around

These niggas wanna shot something with a hundred rounds
I don't fuck with you niggas you niggas clowns
I'll send these muthafucking goons right now
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
Pop, pop, that's that muthafuckin' AK
Cock, cock, that's that nigga putting it in your face
Knock, knock, that's them goons who wanna play
Y'all niggas don't want problems with me
I live my life like a OG
Keep 2 or 3 gun men round me
Stay coolin' but will get off the leash
Got a 380 that's my lil' capish
Nigga will get off on GP
Nigga strapped up that's how nigga got to be
Nigga head on the swivel when you see me
My goons on deck believe me
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
Got goons that do whatever I say
Got four young niggas that will spray
All these niggas pop pills every day
And all these nigga got they own AK
