2000 Miles (Album Version)

Mest

Did I miss your call again? no, you never called it was a thought inside my head. did I take the fall again? I shoulda payed attention to all the words you said. cause I lost today. I'm not okay. heartbreak, a fake smile, and 2000 miles. I check my caller id. now there's every number but the one I want to see. I've been falling apart. since you been gone I don't know where I need to start. cause I lost today. I'm not okay. heartbreak, a fake smile, and 2000 miles. away she is. I can't live like this. heartbreak, a fake smile, and 2000 miles [x2]. if I told you that I love you would it matter at all? if I told you that I need you would you catch me if I fall? fall. cause I lost today. I'm not okay. heartbreak, a fake smile, and 2000 miles. away she is. I can't live like this. heartbreak, a fake smile, and 2000 miles [x2]
