

Hypnotise - Will Saul & Komon Remix

Throwing Snow

Father forgive me of my crimes

I must stake it by life

I was hypnotized

Blinded by a love sublime

I've taken all I can

And I will not survive

He said, he'd let me in

He said, he' be my fan

Is it the fear

Is she after you

Is it the fear

Is she after you

Father forgive me of my crimes

I must stake it by life

I was hypnotized

Blinded by a love sublime

I've taken all I can

But I will not survive

He said, he'd let me in

He said, he'd be my fan

(Yeah)(...)

Is it a fear

Is she after you

You don't care

You don't care
