

Belong To

[Ji Nilsson](#)

You'll do yours and I'll do mine
I'll see you some other time
Think about me when you're gone
We both know where we belong
Baby we'll go all the way
I'll be only yours one day
But for now you'll do you and I'll do me
You know I'm your destiny, you know I'm your destiny
Maybe I feel something that I didn't plan to
But I love you, I love you
Maybe I feel something that I didn't plan to
But I love you, I love you
I don't know when, I don't know how
All that matters is I think I'm ready now
We said we're a summer fling
Now I know we're everything
Won't you keep heart locked down while you run free?
And when you kiss those lips I hope you think of me
Mm baby do I dare to ask you to be mine
Maybe I could yours part time
Maybe I feel something that I didn't plan to
But I love you, I love you
Maybe I feel something that I didn't plan to
But I love you, I love you
I don't know when, I don't know how
All that matters is I think I'm ready now
Say my name babe, I want you to say
I've got game babe, you know how to play it
You know I'm in love with you
And Maybe I feel something that I didn't plan to
But I love you, I love you
Maybe I feel something that I didn't plan to
But I love you, I love you
I don't know when, I don't know how
All that matters is I think I'm ready now
