Times Of Your Life

Paul Anka

Good morning, yesterday
You wake up and time has slipped away
And suddenly it's hard to find
The memories you left behind
Remember, do you remember?The laughter and the tears
The shadows of misty yesteryears
The good times and the bad you've seen
And all the others in between
Remember, do you remember
The times of your life? (do you remember?)Reach out for the joy and the sorrow
Put them away in your mind
The mem'ries are time that you borrow
To spend when you get to tomorrowHere comes the saddest part (comes the saddest part)
The seasons are passing one by one
So gather moments while you may
Collect the dreams you dream today
Remember, will you remember
The times of your life?Gather moments while you may
Collect the dreams you dream today
Remember, will you remember
The times of your life?Of your life
Of your life
Do you remember, baby
Do you remember the times of your life?FADEDo you remember, baby
Do you remember the times of your life?
