# Say I Do

## Kyle Jacobs

Donâ€™t need to see you in your wedding dress
Donâ€™t need no flower in your hair
Donâ€™t need no little white church, I donâ€™t care
Donâ€™t need your mama in the front row
Or your daddy giving you away
Donâ€™t need no preacher telling us what we should say

I donâ€™t need nothing
Nothing but me and you
I just wanna love you
Want you to love me too
Just say â€œI Doâ€•

Donâ€™t need no mansion on a hill
No fancy car in a drive
I donâ€™t need no picket fence painted white
Just want to feel your hands in mine
To see a smile on your face
Just want to hold you forever and always

I donâ€™t need nothing
Nothing but me and you
I just wanna love you
Want you to love me too
Just say â€œI Doâ€•
Say â€•I doâ€•

I donâ€™t need nothing
Nothing but me and you
I just wanna love you
Want you to love me too
Just say â€œI Doâ€•
Say â€œI Doâ€•
Say â€œI Doâ€•
Say â€œI Doâ€•
Say â€œI Doâ€•
Say â€œI Doâ€•
Say â€œI Doâ€•
