

# Gang Bang

## Madonna

Like a bitch out of order  
Like a bat out of hell  
Like a fish out of water  
I'm scared, can't you tellBang bang  
Bang bangI thought you were good  
But you painted me bad  
Compared to the others  
You're the best thing I hadBang bang, shot you dead  
Bang bang, shot you deadI thought it was you  
And I loved you the most  
But I was just keeping  
My enemies closeI made a decision,  
I would never look back  
So how did you end up  
With all my jack?Bang bang, shot you dead  
Bang bang, shot you dead in the headBitch out of order  
Bat out of hell  
Fish out of water  
I'm scared, can't you tellBang bang, shot you dead  
Bang bang, shot you deadI made a decision,  
I would never look back  
So how did you end up  
With all my jack?Bang bang, shot you dead  
Bang bang, shot you deadBang bang, shot you dead, shot my lover in the head  
Bang bang, shot you dead and I have no regrets  
Bang bang, shot you dead in the head  
Bang bang, shot you dead, shot my lover in the headAnd then I discovered  
It couldn't get worse  
You were building my coffin  
You were driving my hearseBang bang, shot you dead  
Bang bang, in the headI thought it was you  
And I loved you the most  
But I was just keeping  
My enemies closeI made a decision,  
I would never look back  
So how did you end up  
With all of my jack?Bang bang, shot you dead, in the headBang bang, shot you dead, shot my lover in the head  
Bang bang, shot you dead and I have no regrets  
Bang bang, shot you dead, in the head

Bang bang, shot you dead, shot my lover in the head(I need you to die for me baby)You have to die for me baby  
That's right, you have to die for me baby  
How could I move on with my life  
If you didn't die for me baby  
If you didn't die for me baby  
I need you to die for me babyBang bang, shot you dead, shot my lover in the head  
Bang bang, shot you dead, shot my lover in the head  
Bang bang, shot you dead, shot my lover in the head  
Now my lover is dead, and I have no regrets  
He deserved itAnd I'm going straight to hell  
And I've got a lot of friends there  
And if I see that bitch in hell  
I'm gonna shoot him in the head again  
'Cause I wanna see him die  
Over and over  
And over  
And over  
And over  
And over  
And over  
And overNow drive bitch  
I said drive bitch  
And while you're at it, die bitch  
That's right drive bitchNow drive bitch  
I said drive bitch  
And while you're at it, die bitch  
That's right drive bitchNow if you're gonna act like a bitch  
Then you're gonna die like a bitch
