

Running Out Of Time

Joan Osborne

Written by Joan Osborne & Louie Perez

Can you see me rising since your disappearance safe to say

That I've regained myself

Sleeping like a baby still I wonder maybe

If we'll ever

Meet up somewhere else

I'm bouncing you a message

Off the night sky

You'll get it in a while

How you walk around with all that

Contempt inside you I'm

Amazed that you can stand up right

Turned up the volume when you heard me saying to you how

Does somebody switch from love to hate

I'm bouncing you a message

Off the night sky

You'll get it in a while[Chorus]

I know you feel it

It's right behind you

It's getting closer

You said yourself

You're running out of timeIf I ever sit to write the story

I'll say something nice

About you when you're dead

Moving like the ocean

Safe inside the notion that I can

Read if layin' in my bed

I'm bouncing you a message

Off the night sky

You'll get it in a while[Chorus]Yes it's complicated if the feelings faded

Still it's better

To have no regrets

When you think about me if you think

About me please

Remember that I've done my best

Can you see me rising since your

Disappearance, safe to say

That I've regained myself

Crawling like a baby

Still I wonder maybe if we'll ever
Meet up somewhere else cause[Chorus]
