

# First Time Ever I Saw Your Face

[Harry Connick, Jr.](#)

The first time ever I saw your face  
I thought the sun rose in your eyes  
The moon and stars were the gift you gave  
To the dark and the endless skies, my love  
The first time ever I kissed your mouth  
I felt the earth move in my hand  
Like a trembling heart of a captive bird  
That was there at my command, my love  
And the first time ever I lay with you  
I felt your heart so close to mine  
And I knew our joy would fill the earth  
And would last till the end of time, my love  
The first time ever I saw your face
