

# Scared of Girls

## Placebo

An introverted kinda soul  
The earth did open  
Swallow whole[Chorus]  
Careenin'  
Careenin'  
Careenin'  
Careenin'Her next of kin who lived in sin  
Was asking god to let her in[Chorus]I'm a man a liar  
Guaranteed in your bed  
I gotta place it on the rack  
Got a place inside it  
Got a place inside it  
Got a place inside itAn extroverted kinda girl  
Did tour the world with MC5[Chorus]Her younger sister, had a blister  
Where I kissed her on her thigh[Chorus]I'm a man a liar  
Guaranteed in your bed  
I gotta place it on the rack  
Got a place inside itI'm a man a liar  
Guaranteed in your bed  
I gotta place it on the rack  
Got a place inside it  
Got a place inside it  
Got a place inside itI'm a man a liar  
Get into your bed  
I gotta place it on the rack  
Got a place inside itI'm a man a liar  
Guaranteed in your bed  
I gotta place it on the rack  
I got a place inside itI'm a man a liar  
Guaranteed in your bed  
I gotta place it on the rack  
Got a place inside it  
Got a place inside it  
Got a place inside it
