The Saddest Dream

Dommin

Just take me out ofâ€¦the saddest dream.
Because things aren't as badâ€¦as they seem.
This body's a prisonâ€¦I can't escape.
And this loneliness is oneâ€¦I cannot take.

What have we become?
I no longer see the sun, and life's become a dream.
Your head against my chest, listening to the rest of lifeâ€¦slowly beating.

I'd tell you "I love you"â€¦but I can't speak.
And I'd reach to embrace youâ€¦but I'm too weak.

What have we become?
I no longer see the sun, and life's become a dream.
Your head against my chest, listening to the rest of lifeâ€¦slowly beating.

Oh god, oh godâ€¦
God, please, set me free.
Set me, set meâ€¦
God, please, set meâ€¦free.
Set meâ€¦free.
God, set meâ€¦free. Yeah.
(God, set meâ€¦ God set meâ€¦) Yeah.

What have I become?
I no longer see the sun, and life's become a dream.
Your head against my chest, listening to the rest of lifeâ€¦slowly beating.

Just take me out ofâ€¦the saddest dreamâ€¦
