Understanding Silence

Good Tiger

Birds loop above ahead of time
We've been marked as a threat
There's no logic for my trail
Will i see some rest?
If i never walk again
All that's occured so worthless
The way we seen these words so distant
Lost sense in what controls our tongues
Do they know my name?
Do they know my name?
Oh me oh my this mess of mine
Need own my regret
I have begged the fairer kind
To help make my bed
If i never walk again
All that's occured so worthless
The way we seen these words so distant
Lost sense in what controls our tongues
Do they know my name?
