

Dyin' to Live

Outkast

My suit is dark, my clouds are gray
And all things around me pass away

Well what if I leave?

Yeah that's what I'll do, I'll leave
Cause 88 keys is all I got to lose
That ain't much, you can have them shoes
I'm dyin' to love dyin' to play

Dyin' to get out of here

I'm dyin' to live
Percival

Says goodbye

An angel dies
