We Believe In Happy Endings

Dry Branch Fire Squad

Who can tell just how it starts
Angry words and broken hearts
Till silently we sit apart
You and I
But in awhile the anger's gone
And we forget who's right or wrong
Then one of us will end it all
With just a smileWe believe in happy endings
Never breaking
Only bending
Taking time enough for mending
The hurt insideWe believe in new beginnings
Giving in
And forgiving
We believe happy endings
You and IJust a word is all it takes
And so it pass
The silence breaks
And looking back it makes us ache
For what we've doneAnd so we cling together now
And wonder why we're oh so proud
When all that matters anyhow
Is our loveWe believe in happy endings
Never breaking
Only bending
Taking time enough for mending
The hurt insideWe believe in new beginnings
Giving in
And forgiving
We believe in happy endings
You and I
