

# Words Like a Rock

## The Cerny Brothers

ooh, ooh

what did you say  
what did you hear  
when i spoke to you today?  
your words like a rock  
tied to my heart;  
the thought of you leaving

ooh, ooh

where would you go  
if you weren't tied  
to my hand?  
would you rather be tied  
to another man  
with different eyes?  
it would be a lie

ooh, ooh

don't you know that i can cry  
like no one can cry  
don't you know my bones are like sticks  
fallen from the sky  
and don't you know if i'm not a man  
in your eyes  
then i'm a piece of dirt  
on the back of a fly

ooh, ooh
