

I'll Be There

Hardline

Na na na na na na na na , na na na na nah
Na na na na na na na na , na na na na nah

I know how you feel girl, been there many times before
I got to pick up, I'm walking out the door
Sometimes hoping is all that we can do
In mind and spirit girl I'm always there for you

Every time I think about us, the way it's got to be
You know someday we will work it out
When all that we wished for is just a memory

Any time you need me I'll be there
Any time at all (just say the word)
Just you say the word and I'll be there
Anytime you need me girl I will be there

The nights seem longer, the days feel just the same
Well a little more lonelier than yesterday
Sometimes words ain't easy to explain
Whether I'm here or gone the feelings stay the same oh yeah

Every time I think about us, the way it's got to be
You know someday we will work it all out
When all that we wish for is just a memory

Anytime you need me I'll be there
Anytime at all (just say the word)
Just you say the word and I'll be there
Anytime you need me girl I will be there

Oh yeah, woah yeah, all right
Anytime you need me I'll be there
Anytime at all (just say the word)
Just you say the word and I'll be there
Anytime you need me I will be there

Na na na na na na na na , na na na na nah
Na na na na na na na na

Just say the word, say the word yeah
I will be there

Na na na na na na na na, na na na na nah
Na na na na na na na na

Just say the word, say the word, say the word yeah
I will be there

I'm always there for you, everytime
