Ain't My Fault

Zara Larsson

Oh my, oh my, oh my
Oh my, oh my, oh my
Oh my, oh my, oh my, oh myIt ain't my fault you keep turning me on
It ain't my fault you got, got me so gone
It ain't my fault I'm not leaving alone
It ain't my fault you keep turning me on
I can't talk right now, I'm looking and I like what I'm seeing
Got me feeling kinda shocked, girl, now
Could've stopped right now, even if I wanted
Gotta get it, get it, get it, while it's hot right now
Oh my god, what is this
Want you all in my business
Baby, I insist
Please don't blame me for what ever happens nextNo, I can't be responsible
If I get you in trouble now
See you're too irresistible
Yeah, that's for sure
So if I put your hands where my eyes can't see
Then you're the one who's got a hold on me
No, I can't be responsible, responsible
It ain't my fault (no, no, no, no)
It ain't my fault (no, no, no, no)
It ain't my faultIt ain't my fault you came here looking like that
You just made me trip, fall, and land on your lap
Certain bad boy smooth, body hotter than the sun
I don't mean to be rude, but I look so damn good on yaAin't got time right now
Missed me with the words you name your Scion, uh
It's light outside, I just called an Uber and it's right outside
Oh my god, what is this
Want you all in my business
Baby I insist
Please don't blame me for what ever happens nextNo, I can't be responsible
If I get you in trouble now
See you're too irresistible
Yeah, that's for sure
So if I put your hands where my eyes can't see
Then you're the one who's got a hold on me
No, I can't be responsible, responsible
It ain't my fault (no, no, no, no)

It ain't my fault (no, no, no, no)
It ain't my faultBaby, one, two, three
Your body's calling me
And I know wherever it is
Is exactly where I wanna be
But don't blame me
It ain't my fault (no, no, no, no)
It ain't my fault (no, no, no, no)
It ain't my fault (no, no, no, no)
It ain't my fault (oh my, oh my, oh my, oh my)So if I put your hands where my eyes can't see
Then you're the one who's got a hold on me
No, I can't be responsible, responsible
It ain't my fault (no, no, no, no)
It ain't my fault (no, no, no, no)
It ain't my faultIt ain't my fault you got me so caught
It ain't my fault you got me so caught
Oh, well that's too bad it ain't my fault
