

All Walks Of Life

Middle Class Rut

[Zack sings:]SHOUT!
[Sean sings:]In the middle class
I've been hiding
Chained up to a dog on a leash
All walks of life here are welcomed
To train you past on a new day
To get in
You need no invitation
No question
No belief
Just leave your mind where you found it
We have no use for thinking
[Zack sings:]You're right so...
What is it they've done for me?
Wally
You're right so...
What is it they've done for me?
Wally
[Sean sings:]Put me somewhere
I can't get out of
Just leave me close to the door
And I'll come in like I came out

Guess my life's not worth the pain
To wake
Alarms the brain
Alarms inside with a sudden gape
And there's all walks across... I,
I realize it's watching me
[Zack sings:]You're right so...
What is it they've done for me?
Wally
You're right so...
What is it they've done for me?
Wally
I reach out for my brothers
They are like me
A sheltered life comes short of being free
'Cuz you know I won't stop until I'm free

[Sean sings:] Check it! Check it!
[Zack sings:] IN THE MIDDLE CLASS RUT!!
[Sean sings:] I'm waiting
[Zack sings:] IN THE MIDDLE CLASS RUT!!
[Sean sings:] I'm waiting
[Zack sings:] IN THE MIDDLE CLASS RUT!!
[Sean sings:] I'm waiting
