All Walks Of Life

Middle Class Rut

Just leave your mind where you found it
We have no use for thinking
[Zack sings:]You're right so...
What is it they've done for me?

Wally

You're right so...

What is it they've done for me?

Wally

[Sean sings:]Put me somewhere
I can't get out of
Just leave me close to the door
And I'll come in like I came out

Guess my life's not worth the pain

To wake

Alarms the brain

Alarms inside with a sudden gape

And there's all walks across... I,

I realize it's watching me

[Zack sings:]You're right so...

What is it they've done for me?

Wally

You're right so...

You're right so... What is it they've done for me? Wally

I reach out for my brothers
They are like me
A sheltered life comes short of being free
'Cuz you know I won't stop until I'm free

[Sean sings:]Check it! Check it!

[Zack sings:] IN THE MIDDLE CLASS RUT!!

[Sean sings:] I'm waiting

[Zack sings:] IN THE MIDDLE CLASS RUT!!

[Sean sings:] I'm waiting

[Zack sings:] IN THE MIDDLE CLASS RUT!!

[Sean sings:] I'm waiting
