

Tell Me Something I Don't Know

Extreme

Sun going up making its rounds
It keeps on moving, painting the town
Before you know it, she's sinking low
So tell me something
Something I don't already know
I don't know
Towards the south, then turning north
Whirlwind spinning on a circular course
The answer, my friend returns to blow
So, tell me something
Something I don't already know
I don't know
Tell me something I don't know
As for the wise men who pursue their knowledge
Same as the fool, same as the fool, free falling prey to folly
Can only one fate, one fate befall them both?
So tell me something
Something I don't already know
I don't know
Tell me something I don't know
I don't know
Tell me something I don't know
Tell me something I don't know
Ah, can you tell me?
It must go on, as for the show
So tell me something
Something I don't already know
I don't know
Tell me something I don't know
Tell me something I don't know
Tell me, tell me, tell me, tell me
Tell me, tell me, tell me, tell me
Tell me, tell me, tell me, tell me
Tell me, tell me, tell me, tell me
