

# STARE INTO THE SUN

## Witch Charmer

There ain't a cloud in the sky or nothing  
I see the birds, they fly high on something  
This is the summer, it's the summer  
Full of color, baby  
The sun is shining down for lovers  
But not for me, it shines for others  
You gave me love, babe, gave me love, babe  
But now it's over

I'm feeling blue  
Cause love is gone  
Guess I lose  
But life goes on  
Got a few tears to dry  
But when these blue shade days are gone  
I'm gonna stare into the sun

I'm gonna swim in seas of green, I tell ya  
I'm gonna run like I'm seventeen forever  
I see a rainbow, purple and gold  
But it's covered  
Cause there's a cloud, she follows me around, wherever  
Her last words keep raining down, no shelter  
You took your love, babe, took your love, babe  
Now the colors all melt together

I'm feeling blue  
Cause love is gone  
Guess I lose  
But life goes on  
Got a few tears to dry  
But when these blue shade days are gone  
I'm gonna stare into the sun

Stare into the sun, stare into the sun  
I'm gonna stare into the sun, stare into the sun

You gave me love, babe, gave me love, babe  
You gave me love then you took it away
