Go Gentle

Pop Beatz

You're gonna meet some strangers
Welcome to the zoo
Bitter disappointments
Except for one or two
Some of them are angry
Some of them are mean
Most of them are twisted
Few of them are cleanNow when you go dancing with young men down at the disco
Just keep it simple
You don't have to kiss thoughDon't waste time with the idiots that think that they're heroes
They will betray you
Stick with us weirdosFor all your days and nights
I'm gonna be there
I'm gonna be there yes I will
Go gentle through your life
If you want me I'll be there
When you need me I'll be there for youDon't try to make them love you
Don't answer every call
Baby be a giant
Let the world be small
Some of them are deadly
Some don't let it show
If they try and hurt you
Just let your daddy knowNow when you go giving your heart make sure they deserve it
If they haven't earned it
Keep searching it's worth itFor all your days and nights
I'm gonna be there
I'm gonna be there yes I will
Go gentle through your life
If you want me I'll be there
When you need me I'll be there for youGo gentle to the light
I'm gonna be there
I'm gonna be there yes I will
If all your days are nights
When you want me I'll be there
Say my name and I'll be there for you
