

End of the Road

[Jerry Lee Lewis](#)

Advisory - the following lyrics contain explicit language:

Well, the way is dark
The night is long
I don't care if I never get home
I'm waitin' at the end of the road Well, the stars may not shine
And neither the moon
What the heck
We don't want no moon I'm waitin', yeah
At the end of the road
You can jump in my Ford
And you can give it a gas Pull out the front, don't give me no sass
Take your foot, slap it on the floor
When we get together
We're gonna shake a little more Oh, the way is dark the night is long
I don't care if I never get home
I'm waitin', uh huh
At the end of the road, yeah Oh, you can jump in my Ford
Lord, I'm waitin', waitin'
Waitin' at the end of the road
