

# Only God Could Love You More

[Jerrod Niemann](#)

The things you say  
They hit me with a right sometimes  
Hit me with a left sometimes  
But I'm still standing  
For Us  
You make me wanna dream sometimes  
Make me wanna scream sometimes  
I'd never give you up

No you are not alone  
I am in this too, this is us  
This is me and you  
So go, turn and walk out that door  
Hope you find what you're lookin' for  
Just know only God could love you more  
Than I do

I know  
We take it to the limit sometimes  
Our friends get caught up in it sometimes  
But can you tell me, who go's  
Good as it gets sometimes  
Wish we never met sometimes  
I'm not understanding

No you are not alone  
I am in this too,  
This is us  
This is me and you  
So go, turn and walk out that door  
Hope you find what you're lookin' for  
Just know only God could love you more  
Than I do

The things you say  
They hit me with a right sometimes  
Hit me with a left some times  
I'm still standing  
We're still standing

So know you are not alone  
I am in this too,  
This is us  
This is me and you  
So go, turn and walk out that door  
Hope you find what you're lookin' for  
Know only God could love you more  
Than I do
