

Harmony Korine

Steven Wilson

Rain, come down, and fall forever
Drain, the dirt, into the wasteland
Pray, for sound, to quiet the howling Feel, no shame, too brave
Feel, afraid, to wait forever Kneel, to fade, the day's corrosion
Crawl, depart, towards perdition
Gray, the part, the bruise within you Feel, no shame, too brave
Feel, afraid, to wait forever Forever Feel, no shame, too brave
Feel, afraid, to wait forever
